

Program Description:

The Criminal Justice Administration Certificate focuses on leadership and decision-making as it relates to the agencies within the criminal justice fields, as well as program and policy development skills required of contemporary criminal justice administrators. The certificate is a five-course program that provides both current and prospective criminal justice professionals with the administrative and management preparation to advance their careers into administrative roles. The certificate is also designed for professionals who are contemplating a career change to the criminal justice sector and who need the skills and knowledge to make a successful transition.
